Subject: Public Notice & Comment Period | Draft 2017 Review |Water Quality Standards for Salinity | Colorado River System

Dear Interested Party,

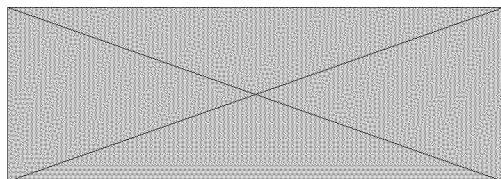

As a member-state of the Colorado River Basin Salinity Control Forum (Forum), the Arizona Department of Environmental Quality (ADEQ) is seeking written public comments on the Forum's Draft "2017 Review, Water Quality Standards for Salinity, Colorado River System," now through August 25, 2017. ADEQ will incorporate by reference the final Forum Review as part of our Triennial Review of Surface Water Quality Standards currently in progress.

[Click to View Public Notice, Supporting Documents & Instructions for Submitting Comments >](#)

ADEQ encourages the quality of Arizona's water. We thank you for your input and participation in processes that

About ADEQ

Under the Environmental Quality Act of 1986, the Arizona State Legislature established the Arizona Department of Environmental Quality in 1987 as the state agency for protecting and enhancing public health and the environment of Arizona. For more information, visit <http://www.azdeq.gov/>.
